

ALLIANCE
WASH AND STEAM

It's more than just image!

Our properly trained technicians can take care of any cleaning request

– whether you need a quick rinse to a fine clean environmental wash

- Alliance will get the job done!

Keeping your heavy equipment clean is important

**– regular washing can make it easier for your mechanics to detect
and repair defects before equipment failure and downtime occurs.**

**We've washed it all – from the largest mining and pipeline equipment,
excavators and dozers to the smallest of skid steers.**

There is no better choice – call Alliance today.
